

18. Products treated with said surface treatment chemicals according to Claim 10.

REMARKS

The Substitute Abstract and Specification enclosed herewith are the English translations of the originally filed Japanese language Abstract and Specification, including the Article 34 amendments filed at the PCT level. The amendments to the claims include the Article 34 amendments made at the PCT level and delete multiple dependency claims for prosecution in the United States. These amendments are intended to place the application in better form for consideration by the Examiner. Entry of the foregoing amendments prior to issuance of the first Office Action is respectfully solicited.

Respectfully submitted,

TFC/smd
